BLUE OCEAN

②“TEAM EXPO 2025” program

Open to everyone from around the world.

- Co-Creation Partner
- Co-Creation Challenge

Co-Creation Challenge

: Individual actions working together to achieve our collective dreams.

We will call for independent and future-oriented initiatives that have either already begun or will begin at the time of the Expo.

Co-Creation Partner

: Corporations and Organizations that create and support multiple Co-Creation Challenges

We will call for corporations, Organizations and other parties that have skills, strengths or resources useful for supporting Co-Creation Challenges.

③Future Society Showcase

Carbon neutrality

Image : Adobe Stock

- Introducing carbon neutrality technology, energy optimization technology, and hydrogen energy technology on a showcase basis

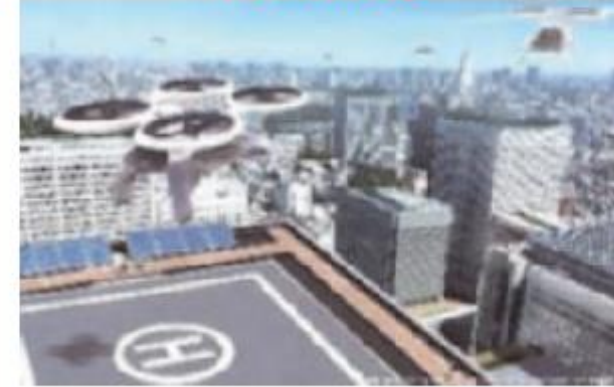

Digital

Image : Adobe Stock

- Providing futuristic entertainment combining the real and the virtual
- Using digital technology to adopt a state-of-the-art admission system and other means for leveling the flow of visitors

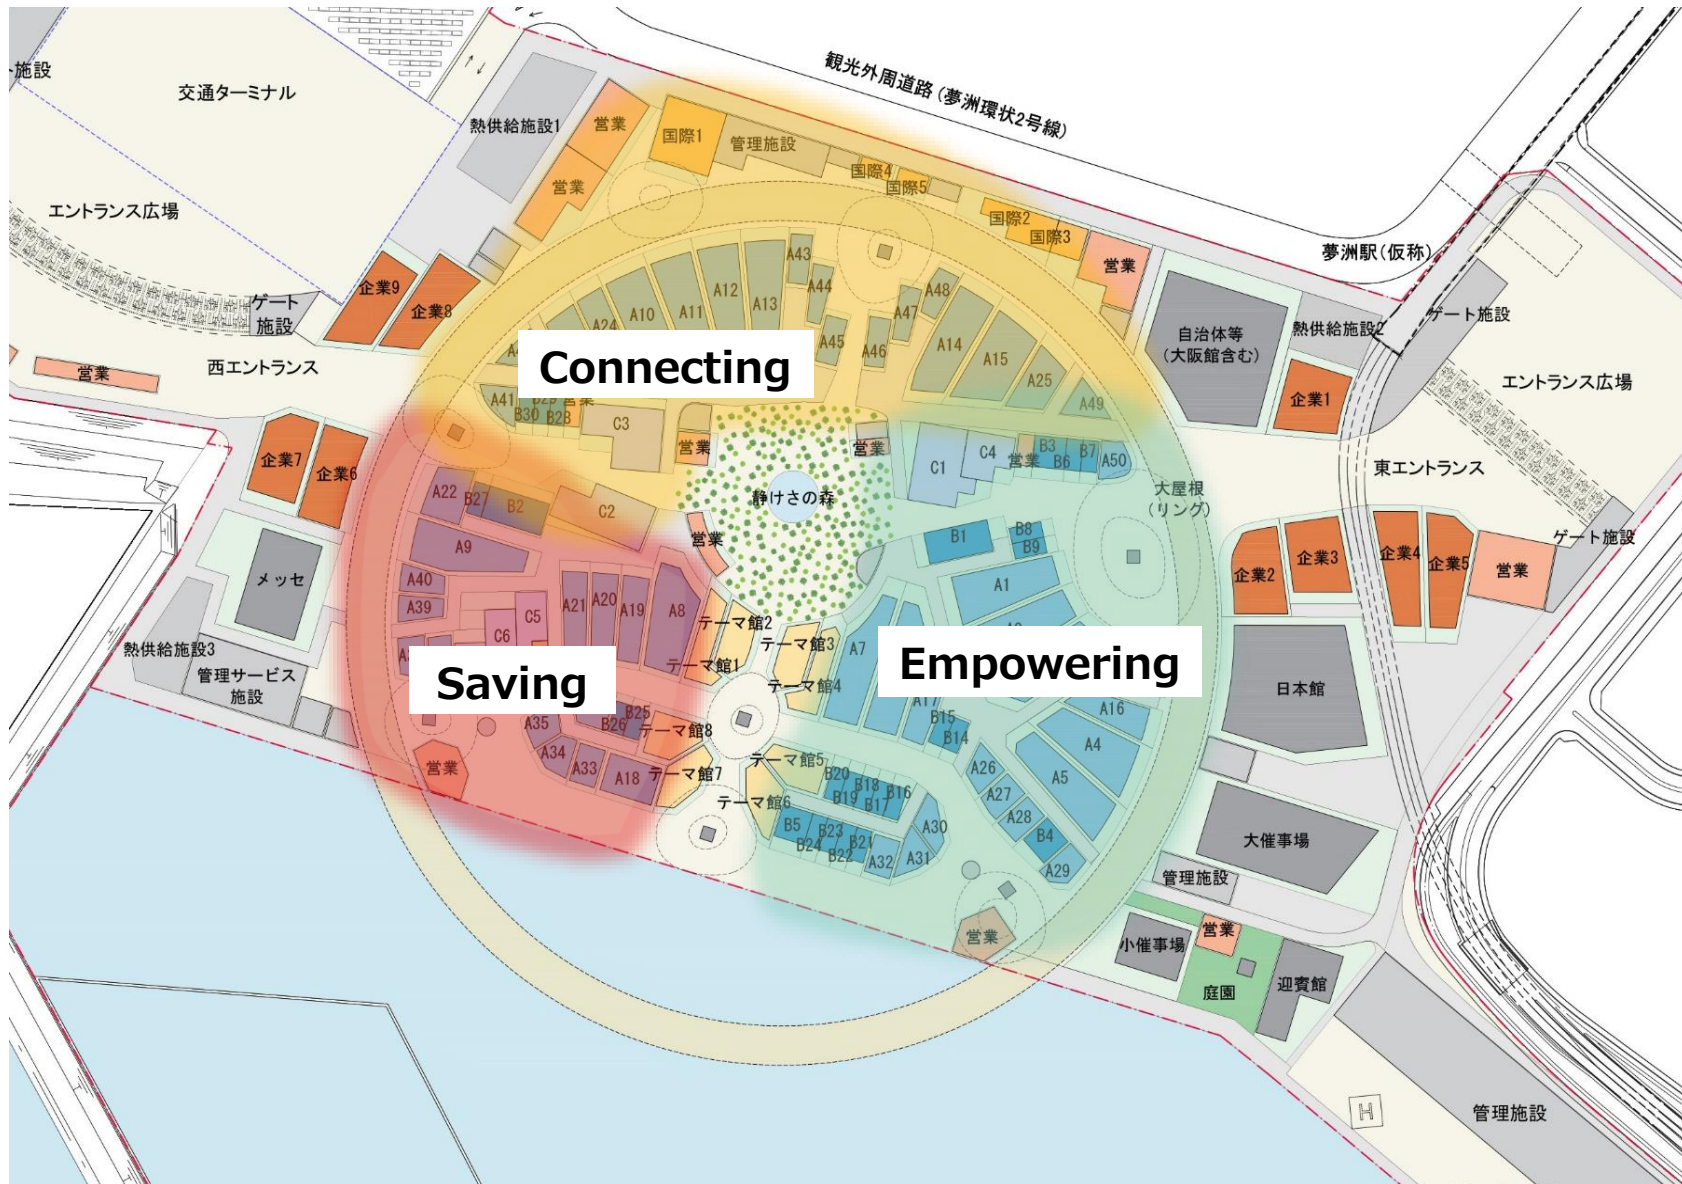

Mobility

- Providing visitors with hands-on experience of novel mobility with flying cars, which are expected to be a next-generation mobility means

The goal is to implement a "Society 5.0 venue" by soliciting specific ideas.

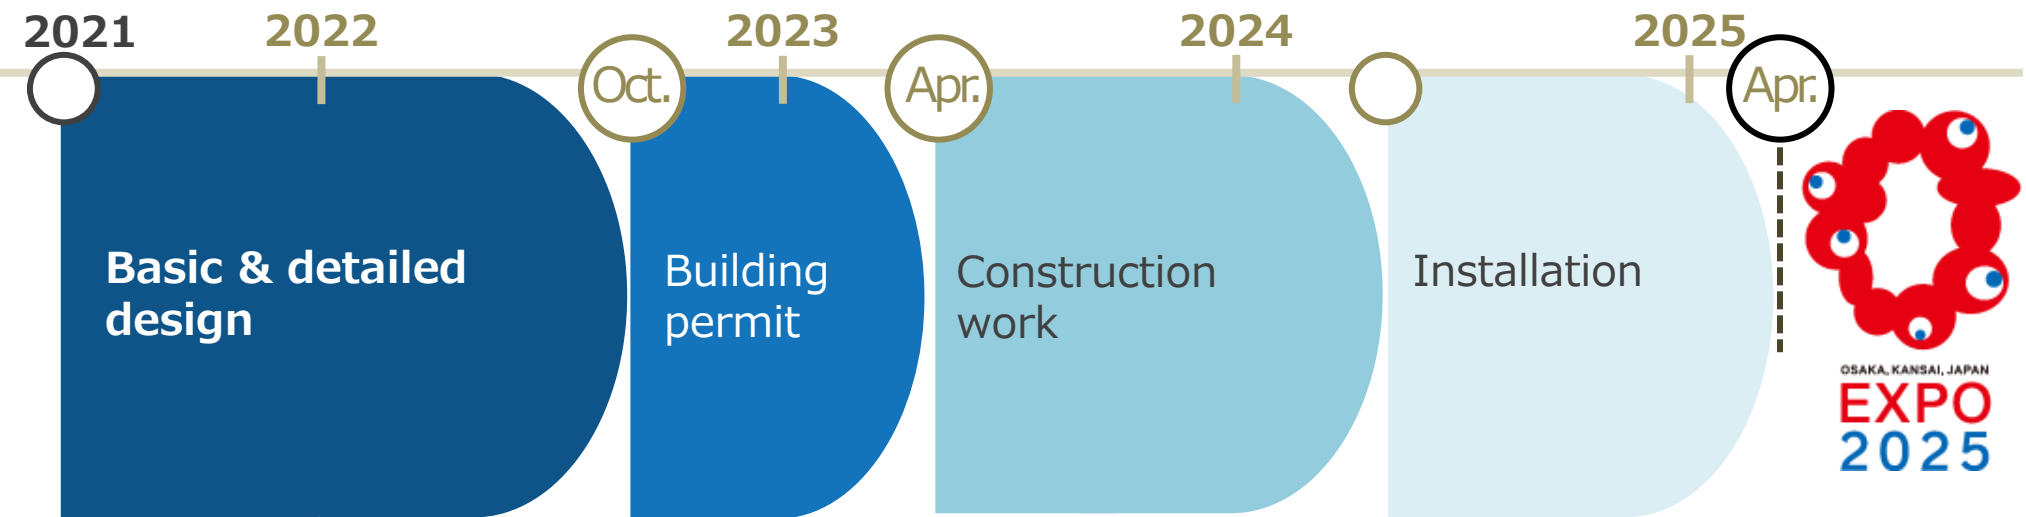

Expo Site Configuration - Zoning

(as of July 5, 2022)

Type A (Self-Built) Standard Schedule

- ◆ Concept & design planning
- ◆ Preparations to select design/construction company

Thank you for listening!

【reference】 Mission and Values of METI Kansai

(Formulated in April 2022)

- **Mission** -

To take that first step together to create the future of Japan Kansai, we will walk together, think hard together, and do our utmost.

- **Values** -

- **心 Shin (stance)** -

We stand in the other person's point of view and pursue the essence based on that empathy.

- **技 Gi (consideration)** -

We continue to learn to respond to the changes and diversity of the times.

- **体 Tai (action)** -

We believe that the answers are always on the ground, and act decisively. And we connect people and information to create new added value.
